# MATERIAL SAFETY DATA SHEET\_\_\_\_\_

(Rev-I-July-2018) Isoamyl Caproate

## Section 1: IDENTIFICATION OF THE SUBSTANCE AND OF COMPANY

| Product Name            | Isoamyl Caproate  |
|-------------------------|---|
| Chemical Name           | 3-methylbutyl hexanoate   |
| CAS No.                 | 2198-61-0   |
| EINECS No.              | 218-600-8   |
| Usage                   | In flavors and fragrances, an ingredient in the manufacturing of mixtures.  |
|                         | Not intended for final consumer.  |
| Manufacturer            | Breeze Intermediates Pvt. Ltd. Z-39, Dahej SEZ, Dahej, Ta. Vagra, Dist. Bharuch (Guj.) India Tel.: +91 9825107638 Email: info@breezeipl.com, qc@breezeipl.com |
| Emergency telephone no. | +91 9825107638, +91 8155088809  |

### **Section 2: HAZARDS IDENTIFICATION**

| Classification as per    | Flammable liquids, Hazard Category 3; H226.                                     |
|--------------------------|---|
| EC No. 1272/2008         |   |
| OSHA Hazard              | Product not carcinogenic according to OSHA                                      |
| Label elements including | Signal Word: Warning Pictogram: None  |
| precautionary statement  | <u>Hazard statement(s):</u>   |
|                          | H227 Combustible liquid.  |
|                          | H315 Causes skin irritation.  |
|                          | <u>Precautionary statement(s):</u>  |
|                          | P210 Keep away from heat/sparks/open flames/hot surfaces. No smoking.           |
|                          | P261 Avoid breathing dust/fume/gas/mist/vapours/spray.                          |
|                          | P264 Wash skin thoroughly after handling.                                       |
|                          | P271 Use only outdoors or in a well-ventilated area.                            |
|                          | P280 Wear protective gloves/protective clothing/ eye protection/ face           |
|                          | P370+P378 In case of fire: Use foam or dry powder to extinguish.                |
|                          | P403+P235 Store in a well-ventilated place. Keep cool.                          |
| Risk Phrases             | May be irritating to the skin and eyes  |
| HMIS Classification      | Health hazard: 1 Flammability: 2 Physical hazards: 0                            |
| Potential Health Effects | Inhalation: May be harmful if inhaled. Causes respiratory tract irritation.     |
|                          | Skin: May be harmful if absorbed through skin. Causes skin irritation.          |
|                          | Eyes: Causes eye irritation. Ingestion: Harmful if swallowed.                   |
| Other Hazards            | The product does not contain substances included in the Substances of Very High |
|                          | Concern list (> 0.1 % w/w).   |

## Section 3: INFORMATON ON INGREDIENTS

| Concentration of the constituent | 97-100% (% wt/wt)  |
|----------------------------------|--|
| Chemical name                    | 3-methylbutyl hexanoate  |
| Chemical Entity                  | Branched chain primary aliphatic alcohols/aldehydes/acids/acetals/esters.  No aromatic or hetero aromatic moiety as a component of ester/acetal. |

| Molecular Formula | $C_{11}H_{22}O_2$ (M.W.= 186.29 g/mol) |
|-------------------|--|
| CAS No.           | 2198-61-0                              |
| EC/EINECS No.     | 218-600-8                              |
| FEMA              | 2075                                   |

# **Section 4: FIRST AID MEASURES**

| Consumption       | If swallowed, rinse mouth with water (only if the person is conscious).                 |  |
|-------------------|---|--|
| (Ingestion)       | Seek medical advice immidiately. Do not induce vomiting.                                |  |
| Eye Exposure      | First rinse with plenty of water for several minutes                                    |  |
|                   | (remove contact lenses if easily possible), then take to a doctor.                      |  |
| Inhalation        | If inhaled, remove person to fresh air.   |  |
|                   | If not breathing give artificial respiration.   |  |
|                   | If breathing is difficult, give oxygen.   |  |
| Skin Exposure     | Wash immediately affected area with soap and plenty of water.                           |  |
|                   | Seek medical advice if irritation, pain, swelling, lacrimation or photophobia persists. |  |
| Most important    | Symptoms on inhalation: Choking, drowsiness, respiratory disruptions.                   |  |
| symptoms and      | Symptoms on eye contact: Irritation, reddening.   |  |
| effects, both     | Symptoms on skin contact: Irritation, stinging.   |  |
| acute and delayed | Symptoms on ingestion: queasiness, stomach aches.                                       |  |
| Immediate         | Not applicable.   |  |
| medical attention |   |  |
| special treatment |   |  |
| Others            | Take Risk and Safety Phrases (section 15) into account                                  |  |

# Section 5: FIRE-FIGHTING MEASURES

| Extinguishing      | Water spray, Alcohol-resistant foam, carbon dioxide, dry chemical powder or             |
|--------------------|---|
| Media              | appropriate foam. For safety reasons do not use full water-jet.                         |
| Hazards arising    | Not applicable.   |
| from the substance |   |
| Combustible Liquid | Keep away from source of heat, flame or spark.  |
|                    | Cool endengered drums with water.   |
| Advices for        | In case of fire on the surrounding, follow the instructions:                            |
| firefighters       | 1-Closed containers may build up pressure at elevated temperatures.                     |
|                    | 2-Avoid inhalation of generated fumes or vapors. Use apropriate respiratory equipment.  |
|                    | 3-Do not allow the spillage of the fire extinguishing to sink into a drainage system or |
|                    | water area.   |

# Section 6: ACCIDENTAL RELEASE MEASURES

| Personal precautions,     | Handle the product using protective gloves resistant to the the chemicals |
|---------------------------|---|
| protective equipment and  | exposed. Avoid contact with skin and inhalation of its vapours or smoke.  |
| emergency procedures      | Maintain adequate ventilation in the working area after spilling.         |
| Environmental precautions | To avoid possible contamination of the environment.                       |
| ·                         | Do not discharge into any drains, surface waters or groundwaters          |

| Methods and material for    | Cover with an inert, inorganic, non-combustible absorbent material (e.g. dry-   |
|-----------------------------|---|
| containment and cleaning up | lime, sand, soda ash). Place in covered containers using non-sparking tools and transport outdoors. Avoid open flames or sources of ignition (e.g. pilot lights on gas hot water heater). Ventilate area and wash spill site after material pickup is |
|                             | complete. Dispose of in accordance with current laws and regulations.   |
| Reference to other sections | Refer to section 13 Disposal considerations   |

## Section 7: HANDLING AND STORAGE

| Precautions<br>for safe<br>handling | Keep away from food, drink and animal feedingstuffs. When using do not smoke. Avoid contact with skin and eyes. Handle in accordance with good industrial hygiene and safety practice. |
|-------------------------------------|--|
| Condition for                       | Should be stored in tightly sealed and preferably full containers in a cool, well-ventilated, dry  |
| Storage                             | place, out of direct rays of the sun, Away from areas of high fire hazard, & should be   |
|                                     | periodically inspected. Incompatible materials should be isolated from each other.   |
| Specific end                        | Not available  |
| use(s)                              |  |

## Section 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

| Control parameters | Declaration of substances is not required.   |
|--------------------|--|
| Exposure controls  | Personal protection equipment: Use personal protection equipment according to Directive 89/686/EEC.  Eye/Face protection: Chemical safety goggles are recommended. Wash contaminated goggles before reuse. |
|                    | Respiratory Protection: Use personal breathing apparatus whenever deemed necessary.  Skin Protection: Avoid contact with skin. Compatible chemical-resistant gloves  |
|                    | are recommended. Wash contaminated gloves before reuse. <u>Engineering Controls-Ventilation:</u> The areas where the product is handled and stored should be adequately ventilated.                        |

## Section 9: PHYSICAL AND CHEMICAL PROPERTIES

| Appearance               | Clear Colorless liquid.         |
|--------------------------|---------------------------------|
| Odor                     | Fruity ethereal apple like odor |
| pH value                 | No data available               |
| Boiling point            | 225 °C @ 760 mm Hg.             |
| Melting point            | No data available               |
| Flash point (closed cup) | 85 °C.                          |
| Ignition Temperature     | No data available               |
| Auto Inflammability      | Not Determined                  |
| Explosive Property       | Not Determined                  |
| Oxidizing Property       | Not Determined                  |
| Vapour Pressure          | 0.086000 mm/Hg @ 25 °C          |
| Vapour Density           | 6.4 (Air=1)                     |
| Solubility in Water      | Insoluble                       |
| Solubility in Alcohol    | Soluble                         |

| Specific Gravity      | 0.858 – 0.863 @ 25 °C. |
|-----------------------|------------------------|
| Partition Coefficient | 4.196 (Octanol/Water)  |

# Section 10: STABILITY AND REACTIVITY

| Chemical stability      | Stable under normal operational condition.                                    |  |  |
|-------------------------|---|--|--|
| Reactivity              | Heat, excessive heat, open flames and other sources of ignition.              |  |  |
|                         | Strong oxidizing agents, strong reducing agents.                              |  |  |
| Incompatibility         | Does not react with water. Avoid contact with strong oxidizing mineral acids, |  |  |
|                         | strong reducing agents.   |  |  |
| Hazardous decomposition | Hazardous combustion or decomposition products:                               |  |  |
| Products                | carbon oxides and other unidentified organic compound.                        |  |  |

# Section 11: TOXOLOGICAL INFORMATION

| Acute toxicity   | LD50 Oral - Rat - > 5,000 mg/kg (mixture of isomers)   |  |  |
|--|--|--|--|
|  | LD50 Dermal - Rabbit - > 5,000 mg/kg (mixture of isomers)  |  |  |
| Inhalation Toxicity (LD <sub>50</sub> )                | No adverse effects due to inhalation are expected.   |  |  |
| Skin corrosion/irritation                              | Mild skin irritation   |  |  |
| Human Experience                                       | NA   |  |  |
| Serious eye damage/eye irritation                      | Direct contact with eyes may cause temporary irritation.   |  |  |
| Respiratory or skin sensitization                      | Not a respiratory sensitizer. This product is not expected to cause skin sensitization.  |  |  |
| Germ cell mutagenicity                                 | No data available  |  |  |
| Carcinogenicity  | IARC Monographs. Overall Evaluation of Carcinogenicity: Not listed. OSHA (29 CFR 1910.1001-1052): Not regulated. US National Toxicology Program (NTP) Report on Carcinogens Not listed. US OSHA (29 CFR 1910.1001-1050) Not available. |  |  |
| Reproductive toxicity                                  | This product is not expected to cause reproductive or developmental effects.   |  |  |
| Specific target organ toxicity single exposure (GHS)   | Not classified   |  |  |
| Specific target organ toxicity repeated exposure (GHS) | Not classified   |  |  |
| Aspiration hazard                                      | Not an aspiration hazard.  |  |  |
| Potential health effects                               | Inhalation: May be harmful if inhaled. Causes respiratory tract irritation. Ingestion: Harmful if swallowed. Skin: May be harmful if absorbed through skin. Causes skin irritation. Eyes: Causes eye irritation.                       |  |  |
| Signs and Symptoms of Exposure                         | No data available  |  |  |
| Additional Information                                 | RTECS: MO8389300   |  |  |

## Section 12: ECOLOGICAL INFORMATION

| General                       | Prevent contamination of soil, ground and surface waters.             |  |
|-------------------------------|---|--|
|                               | Do not discharge product unmonitored into the environment.            |  |
| Acute aquatic Toxicity        | No data available   |  |
| Persistence and degradability | No data available   |  |
| Bioaccumulative potential     | No data available   |  |
| Mobility in soil              | No data available   |  |
| PBT and vPvB assessment       | Not determined. Not listed on EC's PBT substances list.               |  |
| Other adverse effects         | Do not allow the material to enter streams, sewers or other waterways |  |

## Section 13: DISPOSAL CONSIDERATION

| Product Disposal | Dispose of according all federal, state, and local environmental regulations.       |  |  |
|------------------|---|--|--|
|                  | Contact a licensed professional waste disposal service to dispose of this material. |  |  |
| Packaging        | Don not re-use empty containers. Empty residue into a suitable disposal site.       |  |  |
|                  | Contaminated packaging should be disposed of as unused product.                     |  |  |

## **Section 14: TRANSPORT INFORMATION**

| International Carriage of Dange | rous Goods by Road (ADR) |  |
|---------------------------------|--------------------------|--|
| UN No.                          | Not Regulated            |  |
| Proper Shipping Name            | Not subject to ADR.      |  |
| Packing Group                   |                          |  |
| Class                           |                          |  |
| Tunnel restriction code         |                          |  |
| Label                           |                          |  |
| Air Transport (ICAO/IATA)       |                          |  |
| UN No.                          | Not Regulated            |  |
| Proper Shipping Name            | Not restricted           |  |
| Class                           |                          |  |
| Packing Group                   |                          |  |
| Sea Transport (IMDG)            |                          |  |
| UN No.                          | Not Regulated            |  |
| Proper Shipping Name            | Not restricted           |  |
| Class                           |                          |  |
| Packing Group                   |                          |  |
| EmS                             |                          |  |
| Marine Pollutant                | No                       |  |
| DOT (US) Non-Bulk               |                          |  |
| Not dangerous goods             |                          |  |

#### **Section 15: REGULATORY INFORMATION**

| Safety, health and         | Substance(s) is (are) either included in EINECS, ELINCS, NPL inventories or   |
|----------------------------|---|
| environmental              | exempted  |
| regulations/legislation    |   |
| specific for the           |   |
| substance                  |   |
| Hazard Symbol              | Xi- Irritant  |
| Risk Phrases               | R 36/38 - Irritating to skin and eyes   |
| Safety Phrases             | S 02 - Keep out of the reach of children. S 26 - In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. S 36/37/39 - Wear suitable clothing, gloves and eye/face protection. |
| WGK Germany                | 2   |
| Chemical safety assessment | Not available   |

#### **Section 16: OTHER INFORMATION**

| Hazardous materials identification system                  | Fire: 2 | Health: 1 | Reactivity: 0 |  |  |
|--|---------|-----------|---------------|--|--|
| This material should be used for industrial purposes only. |         |           |               |  |  |
